Period for Which Franchise is Desired (If Less Than 20 Yrs)

**Nature of
Applicant's
Business and
Exact Use For
Proposed
Pipeline:**

Include information as to whether any pipeline system, transmitting oil or products thereof, is classified as a public utility pipeline, or common carrier, and therefore is PUC regulated.

Basis Of Franchise Fee Payment: An annual franchise fee will be charged amounting to \$1.55 per cubic foot of pipeline in County right-of-way, adjusted annually throughout the term per the Consumer Price Index-All Urban Consumers-Los Angeles/Riverside/Orange County, base year and month is March 2011. **Minimum \$100.00 per year.**

If purpose of which pipeline is used falls within the definitions of PUC Section 6231.5, the annual fee will be in accordance with that section.

Once completed, please email to General Services-Property Management Division for review and approval.

Once approved, please print, sign, date and mail to General Services-Property Management Division with the appropriate fee
